The New Port Richey Police Department (NPRPD) recognizes the need for individual parties to seek law enforcement presence for safety and security reasons unrelated to the City. It is understood that this is a non-binding agreement and the NPRPD may cancel this request/detail without advance notice or cause at any time for such reasons as emergencies, inability to find an officer to work the event or other unforeseen circumstances.

The NPRPD requires any requests for special detail (off-duty) of officers be for a minimum of two hours. Further, the scheduling of a detail shall hold the hiring party liable to pay compensation for the officer(s) for the full hours scheduled, even if they are released early by the hiring party. Furthermore, the hiring party shall also compensate the officer(s) for any additional hours worked beyond those originally scheduled. The requesting party will be accountable for the two hour minimum payment if they fail to notify the Police Department of a cancellation by at least 24 hours prior to the scheduled start time.

Current NPRPD special detail rates per officer are:

\$35.00/hour for a law enforcement officer

I understand and agree to pay the NRPPD for officer-provided services with the understanding that the NPRPD will compensate those officers for the services performed and provide Workers Compensation insurance through its provider in accordance with Florida Statutes. It does not constitute a waiver of the individual officer's rights.
